Customer Reviews

No doubt this artist could paint some pretty portraits which would explain him being hired by Rockefeller and Roosevelt, and I really enjoyed the sights of Venice (have to go there one day) but it was the ending portrait "Gassed" showing WW1 men having been blinded by the chemicals used during warfare which I found absolutely gripping and needing no words to describe the horrors of war. Very good book!

Some of the greats are here. But still, some of the greats are not. Perfect tool to teach John Singer Sargent on your device.

Beautiful prints of masterpieces! Good for kids in developing an appreciation for art. Great for adults, too!
