Study Guide And Procedure Checklist Manual For Kinn's The Medical Assistant: An Applied Learning Approach, 13e

Synopsis

Get more practice with the essential medical assisting job skills! Designed to support Kinn's™ The Medical Assistant: An Applied Learning Approach, 13th Edition, Kinn's The Medical Assistant's Study Guide and Procedure Checklist Manual Package: An Applied Learning Approach, 13th Edition offers a wide range of exercises to reinforce your understanding of common administrative and clinical skills • including CAAHEP and ABHES competencies. A variety of exercises test your knowledge and critical thinking skills with vocabulary review, multiple choice, fill in the blank, and true/false questions. Additional exercises enhance learning with skills and concepts, word puzzles, case studies, workplace applications, and Internet activities. Procedure checklists help you track your performance of every procedure included in the textbook. Work products allow you to provide documentation to instructors and to accrediting organizations when a competency has been mastered. Cross-references tie together exercises in the study guide to the Connections theme in the main text.
