SAVE \$15 - This (5) Book Box Set contains photos and graphic statements that some may find disturbing. 730 pages - Read for FREE using Kindle Unlimited. Packaged together under one cover, bestselling true crime author Chris Swinney delves into the gritty and gruesome details of FIVE Serial Killers. These books are also sold separate in Kindle, Paperback and Audiobook editions.

ROBERT BLACK: Child Rapist and Serial Killer Given up for adoption by his mother at only a few weeks old, Robert Black is placed with physically abusive foster parents setting the tone for who, and what, he'd become - a pedophile and serial killer. Starting at the age of five, he recalls being sexually curious and began placing items in his anus at the age of eight. He'd sexually assault hundreds of little girls before committing his first murder. Sadly, as law enforcement stumbled along with no leads or evidence, Robert Black would strike repeatedly destroying families and preying on innocent little girls in the United Kingdom.

DEADLY VOICES: Serial Killer Herbert Mullin Serial Killer Herbert Mullin terrorized the Santa Cruz, California, area at the same time the infamous Co-Ed Killer, Edmund Kemper, was active. Unlike Kemper, Mullin killed anyone. Young, old, men, women, children, and even a priest in a confession booth. He didn't adhere to a particular MO. The deadly voices told him to kill and he killed.

PETER MANUEL: The Beast of Birkenshaw Peter Manuel killed repeatedly, both random and targeted victims, including men, women, and children, because he enjoyed the rush. As a life-long criminal, Manuel mainly committed property crime. That all changed when his heart was broken. The woman he'd been engaged to called off the wedding and left him, causing Peter to snap. His violence escalated then, and Peter terrorized various communities for almost two years. His cockiness had no end, and he went as far as giving a police inspector a ride while the inspector was searching for one of the teenage girls Peter had murdered. Peter toyed with the detective and advised him he thought the police were looking in the wrong spot for the girl. Ultimately, Peter's arrogance and insatiable need for attention led to his demise...one that made him meet his own executioner as he hung from a noose on prison gallows.

THE CLAIREMONT KILLER: Serial Killer Cleophus Prince, Jr. Authorities had profiled San Diego's newest serial killer as a disorganized opportunist. They were wrong. While Serial Killers usually target victims of their own race, Cleophus Prince, Jr. was an African-American who systematically stalked, raped and murdered, white women. Turned out, Prince Jr. was one of California's most organized and methodical serial killers. He mercilessly held San Diego on edge and in great fear for over a year until finally being apprehended during a burglary in Alabama. Because of the unconventional victims he targeted, his modus operandi and very distinctive signature, law enforcement was stumped and their profiling theories were often wrong.

JAMES FAIRWEATHER:

England's Youngest Serial Killers James Fairweather, 15, Britain's youngest serial killer would have continued to hunt random victims had it not been for an observant dog walker. Eerily, she was also Fairweather's third intended victim. Fueled by the grief of his grandmother's passing and anger from being picked on at school, Fairweather turned to violent video games, horror movies, and pornography to escape reality. Soon thereafter, he developed a deep passion for serial killers - becoming one dominated all of his thoughts. When asked by his school teacher what he wanted to be when he grew up, James replied, "A murderer." Fairweather, true to his word, struck twice before police apprehended him and put a stop to this teen-aged killer. READ FOR FREE USING YOUR KINDLE UNLIMITED MEMBERSHIP
