Cyclogeography: Journeys Of A London Bicycle Courier

Synopsis

Cyclogeography is an essay about the bicycle in the cultural imagination and a portrait of London seen from the saddle. The bicycle enables us to feel a landscape, rather than just see it, and in the great tradition of the psychogeographers, Day attempts to depart from the map and reclaim the streets of the city whilst exploring the relationship between bodies, bikes and geography.

Book Information

Hardcover: 168 pages

Publisher: Notting Hill Editions (September 13, 2016)

Language: English

ISBN-10: 1907903992

ISBN-13: 978-1907903991

Product Dimensions: 4.7 x 0.6 x 7.5 inches

Shipping Weight: 7 ounces (View shipping rates and policies)

Customer Reviews

Ever so thrilling, absolutely brilliant I feel like I'm riding along with Jon Day through the streets of London. It opened my mind and made me see London with fresh eyes, so beautifully written. Skillful indeed.
