Cemetery Tours And Programming: A Guide (American Association For State And Local History)

Synopsis

Cemetery Tours and Programming: A Guide shows the range and opportunities of cemetery programming that go beyond basic starting points like dog-walking or traditional historic walking tours. It illustrates the reuses of both historic and contemporary burial grounds through the lenses of recreation, education, and reflection. This guide takes readers through the historical roots of cemetery programming, options for creating diverse programming, and step-by-step suggestions for executing events. While most cemeteries do not have a large paid staff, this book is accessible to anyone (paid staff members, volunteers, a Friends Group, or museum or historical society) looking to broaden the scope of how their local cemetery is utilized.
