The Naked Pizza Franchisee & Independent Pizzeria Owner

Synopsis

The Naked Pizza Franchisee & Independent Pizzeria Owner: In this first edition of The Naked Pizza Franchisee & Independent Pizzeria Owner, Michael Carroll draws off decades of experience in the Pizza Franchisee & Independent Pizzeria Owner insurance business to tell a series of tales - sad but true - that demonstrate how insurance generalists are not equipped to design policies to properly protect Pizza Franchisees & Independent Pizzeria Owners. It's not because they don't mean well; it's because Pizza Franchisees & Independent Pizzeria Owners are subject to their own unique - and sometimes devastating - risks. In The Naked Pizza Franchisee & Independent Pizzeria Owner, Michael Carroll shares with his readers not only how they can protect themselves against the fatal gaps that can devastate their lives, but do so without the burden of heavy premiums.
