ACS Surgery: Principles & Practice, 6th Edition

Synopsis

ACS Surgery is the first reference of general surgery to carry the name of the American College of Surgeons. Developed to help practicing surgeons make critical decisions on patient care, it is an evidence-based reference of surgical best practices from leaders in the field. An extraordinary resource, ACS Surgery combines the most current information in surgery with practical advice and time-saving convenience.

Customer Reviews

The ACS book is a must have Surgery Book for Surgery Residents. Topics are numbered but to the point and up to date.

Excellent color photographs from operations and step-by-step on how to perform cases. A must have for surgical residents!
