Customer Reviews

I purchased this toward the end of nursing school. I had the previous version already and loved it,

but also like a few of the updates in this one. I love that you can look up the medical diagnosis in the front of the book and that there are possible Nandas listed. This was really helpful for making careplans! Mosbys is the only nursing diagnosis book I used, so I can compare it to others. This was the book that was most highly recommended by everyone I asked.

Got here fast and as described.

This was not purchased for me but the person I bought it for loves is
