# Essential World Atlas, 9th Edition

## Synopsis

Essential World Atlas, 9th Edition provides an unbeatable visual reference to the world's continents, regions, and countries with more than 90 maps and detailed fact files on every nation. See many different views of the globe through a series of thematic maps detailing the political and physical world, time zones, the global economy, populations, languages, climates, and regional conflicts. Look up key statistics using data profiles, stay in the know with a glossary of geographic terms, and easily find the information you need with an index comprised of more than 20,000 entries. Now fully revised and updated to reflect recent geopolitical changes, Essential World Atlas, 9th Edition is a reference perfect for work, home, or school that truly lives up to its name.

#40 in Â Books > Travel > Reference > Atlases & Maps

## Customer Reviews

Small, but at the price, a great deal. Has everything I needed, albeit a little small. Probably would've ordered a bigger version if I had it to do again, but it is a great resource to Europe, which is what I needed as I have been reading Sir Winston Churchill's history of WWI.

Quite comprehensive for a smaller atlas. Would love to have a bigger atlas, but can't afford one at this point in time.

Nice handy reference. The only thing I do not like is the print is small. I also wish it had more of the US in it.
